

IMPACT OF THE SPORTS PREMIUM AT CURZON CE COMBINED SCHOOL - The premium to be used to fund additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils, to encourage the development of healthy, active lifestyles. Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p><i>Training members of staff in swimming, to increase their skills and enable quality of learning and increased skills for our pupils.</i></p> <p><i>Offering enjoyable opportunities for pupils to increase their level of skills through local sports festivals and competitions.</i></p>	<p><i>Make further improvements to the quality of sport and the range of activities that the school offers so that pupils can pursue healthier lifestyles.</i></p> <p><i>Encourage pupils to enjoy a wide range of sports (national evidence that children are spending too much time being sedentary, playing on electronic games) to increase the time they spend being active.</i></p>

ACTION PLAN, COSTS & IMPACT – due to Covid restrictions, the school was not able to offer swimming lessons this year. These will be offered to KS2 next year.

Academic Year: 2020-21	Total fund allocated: £10,080 November + £7,200 May	Date of report: July 2021
-------------------------------	--	----------------------------------

Meeting national curriculum requirements for swimming and water safety	
Percentage of Year 6 cohort who swim competently, confidently and proficiently over a distance of at least 25 metres	
Percentage of Year 6 cohort use a range of strokes effectively [eg front crawl, backstroke and breaststroke]	
Percentage of Year 6 cohort who perform safe self-rescue in different water-based situations	

Provision of swimming provision over and above the national curriculum requirements.		Lessons learned / Suggestions for next year
<p><i>Paying for additional swimming teachers to lower ratios which have been proven to bring about faster progress.</i></p> <p style="text-align: right;">COSTS</p>	<p><i>77% pupils in KS2 are now swimming at levels higher than national expectation</i></p> <p><i>£183 Diana Mann swim course</i></p>	<p><i>Repeat this provision next year as had a good impact on raising swimming standards further.</i></p>

The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
<i>Increased capacity of outdoor physical activity area for KS1 all year round.</i>	£14,200		

The profile of PE and sport being raised across the school as a tool for whole school improvement

School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
<i>Sports Partnership led by local secondary school, with involvement of other local primary schools, enables enjoyable competitive fixtures and development of skills.</i>	£2200	<i>Each class had a sports festival planned but some cancelled by extension of Covid restrictions in June 2021</i>	

Increased confidence, knowledge and skills of all staff in teaching PE and sport			
School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
<i>As part of Sports Partnership, sports leader from the partnership has visited Curzon and modelled lessons with staff from both key stages. Sports leader has also created schemes of work for different year groups.</i>	<i>(Part of £2200=see above)</i>	<i>Learning walks show staff taking on skills learnt. Examples include Gymnastics for upper KS2 and warm up activities. Staff have also benefited from seeing how lessons are organised leading to slicker lessons and smoother transitions between activities.</i>	<i>This has been really useful Continue to give staff opportunity to observe modelled lessons.</i>

Broader experience of a range of sports and activities offered to all pupils			
School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
<i>Increased range of sporting activities.</i>	<i>None</i>	<i>Year 6 visit to Longridge enabled Y6 pupils to try out new activities such as archery and kayaking.</i>	<i>When Covid restrictions are lifted, school plans to invite in visitors to hold workshops including disability sports.</i>

Increased participation in competitive sport			
School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
<i>Funding travel costs to get pupils to other schools where they could enter competitive sports festivals.</i>	<i>£500</i>	<i>Cancelled so moved £500 to the outdoor project</i>	

To encourage pupils to develop healthy eating habits			
School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
<i>Cookery unit using healthy recipes to foster healthy eating habits</i>	£696	<i>Children able to talk about what makes a nutritious meal. Children given opportunity to try a wider range of foods than they eat normally.</i>	<i>Continue to educate the pupils (and families) about healthy eating. Repeat next year as good level of impact, also extend to providing food for homeless and different school event (cooking for a purpose to bless others).</i>
	£17.279	TOTAL EXPENDITURE
