

# Class 4 Summer Term 2022

Dear Parents and Carers,

Welcome back. We hope you all had a happy and refreshing Easter break. It has been lovely to see the children back at school after the holidays and we are looking forward to a new term.

We have been making sure we are ready and prepared for learning each day and it has been good to see many children with the right equipment - PE kits, pencil cases, reading and homework books. If you haven't had a chance, could I respectfully ask you to check if your child needs any stationery for this term, especially whiteboard pens and glue sticks. Many thanks.

## **Homework schedule:**

Homework will continue to be given on a Wednesday, to be completed and handed in by the following Tuesday

Spellings (30 minutes): booklet to be completed and spellings to be learned (Test on Tuesday)

Reading (20 minutes): At least three times a week, with an adult regularly signing and noting comments in Homework diary – Class 4 has not yet won the class reading competition.

Times tables (30 minutes): Children will be told which to focus on (Test on Wednesday) Please **keep practising!** The National Curriculum target is for all children to know their times tables up to 12x12 by the end of Year 4. There will be an important new government test later this term. It's a life skill and helps enormously with accessing other areas of maths.
