

IMPACT OF THE SPORTS PREMIUM AT CURZON CE COMBINED SCHOOL - The premium to be used to fund additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils, to encourage the development of healthy, active lifestyles. Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Training members of staff in swimming, to increase their skills and enable quality of learning and increased skills for our pupils.</p> <p>Offering enjoyable opportunities for pupils to increase their level of skills through local sports festivals and competitions.</p>	<p>Make further improvements to the quality of sport and the range of activities that the school offers so that pupils can pursue healthier lifestyles.</p> <p>Encourage pupils to enjoy a wide range of sports (national evidence that children are spending too much time being sedentary, playing on electronic games) to increase the time they spend being active.</p>

ACTION PLAN, COSTS & IMPACT

Academic Year: 2022-23	Total fund allocated: £17,410.00	Date of report: July 2023
------------------------	----------------------------------	---------------------------

Meeting national curriculum requirements for swimming and water safety	
Percentage of Year 6 cohort who swim competently, confidently and proficiently over a distance of at least 25 meters	100%
Percentage of Year 6 cohort use a range of strokes effectively [eg front crawl, backstroke and breaststroke]	92%
Percentage of Year 6 cohort who perform safe self-rescue in different water-based situations	100%

Provision of swimming provision over and above the national curriculum requirements.		Lessons learned / Suggestions for next year
Paying for additional swimming teachers to lower ratios which have been proven to bring about faster progress.	85% pupils in KS2 are now swimming at levels higher than national expectation	Repeat this provision next year as had a good impact on raising swimming standards further.
COSTS	£705	

The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
Employment of sports coaches to undertake lunch-time sport, to increase pupils' physical activity each day. Coach introduced different organised games such as cricket, French cricket, football. Also coached penalty scoring skills.	£4750	A really important part of some pupils' day. Also a valuable opportunity for pupils to burn off energy and increase physical skills and stamina. Increased social skills and confidence for those who find integration/interaction and team games difficult.	Repeat next year as good level impact.
Resources updated for the year's sports lessons, lunch-time sports equipment, and sports markings.	£3580	Children are using the new markings and resources to play more active games.	Include 4 square markings next as the game is proving very popular.

The profile of PE and sport being raised across the school as a tool for whole school improvement

School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
Sports Partnership led by local secondary school, with involvement of other local primary schools, enables enjoyable competitive fixtures and development of skills.	£2200	Each class had 2 sports festivals which offered concerted focus on increasing a specific skill area and competitive opportunities to play against other schools.	Repeat next year as good level impact.
School council organised and led a whole school sponsored skip to raise money for our linked school in Africa.	N/A	Many pupils brought own skipping ropes and practised at home.	Continue pupil led whole school sports events

Increased confidence, knowledge and skills of all staff in teaching PE and sport			
School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
Staff coaching to develop skills and confidence in teaching gymnastics and dance	Part of Sports Partnership	Staff more confident to teach quality PE and after school clubs.	Develop new class teachers' PE skills.
Consultancy time with Sports Partnership leader to work on curriculum plans	£300	Curriculum plans logically sequenced. GDS skills mapped out.	Continue with plans next year.
Forest School which builds collaboration and co-operative skills, working in small groups, whilst instilling a love of the outdoors.	£1500	To enable children to take controlled risks and learn new outdoor skills. Pupils' feedback is increased enjoyment of spending time outside and away from sedentary time spent with electronic devices.	

Broader experience of a range of sports and activities offered to all pupils			
School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
Isingpop dance workshop	£800	Opportunity for pupils to have a dance experience not found within the standard PE curriculum. Pupil evaluations were very positive about their level of enjoyment.	Next year seek wider range of sports topics to capture pupil interest and foster exploration of what sport they might enjoy pursuing in future years for themselves.

Increased participation in competitive sport

School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
Funding travel costs to get pupils to other schools where they could enter competitive sports festivals.	£1800	Pupils enjoyed competitive edge to sports festivals with other schools. Increased awareness of need to work in teams.	Repeat next year as good level impact.
Ensuring that every pupil progressed in their swimming lessons and attained a certificate	£150	Every pupil attained the next level certificate.	
Time to organise fixtures within the school and with other schools	£250	Pupils have benefited from a series of friendly football matches with other schools, netball and football matches against parents too.	Repeat next year as really popular.

To encourage pupils to develop healthy eating habits

School focus with clarity on intended impact on pupils:	Funding allocated:	Evidence and impact:	Lessons learned / Suggestions for next year
Half a term's cookery unit using healthy recipes to foster healthy eating habits	£1200	Pupil voice shows that this subject is popular. Evidence of pupils trying out school recipes at home and cooking for their families. Evidence of pupils trying and liking new foods.	Continue to educate the pupils (and families) about healthy eating. Repeat next year as good level of impact, also extend to providing food for different school events (cooking for a purpose)
	£17,235	TOTAL EXPENDITURE (Grant was £17,410)
